Service	Unit	Cost (USD)
Service fee (minimum \$100)	Hour	80.00
DNA extraction; tube ¹	Tube	7.50 ¹
DNA extraction; plate ¹	96-well plate	675.00 ¹
DNA Quantification	96-well plate	30.00
DNA dilution (for PCR assays)	96-well plate	30.00
SNP genotyping ²	96-well plate	45.00 ²
SNP genotyping ²	384-well plate	90.00 ²
Flow-cytometer	Hour	180.00

1) Includes consumables and reagents. Does not include service fee, quantification, or dilution.

2) Does not include service fee or primers. If primer design/orders are necessary, additional fees apply. KASP/PACE primers average ~\$15/set.

* Additional services may be provided on an ad-hoc basis with prior arrangement.
